## Academic Experience

### Developer, Henry Bootcamp

Buenos Aires, Argentina

Jan. 2021 to Apr. 2021

- Developed two projects, Mondo Countries by my own and G4Shirts in a team using SCRUM methodologies.
- Managed components and states with React and Redux.
- Designed a beautiful UX/UI with CSS components.
- Created from scratch a relational database with PostgreSQL and Sequelize.
- Implemented authentication and authorization through JSON Web Tokens.
- Improved page loading by 50% with optimizations.
- Built a paywall with Stripe API and automated emails.
- Made a really good video.
